- Semester III:- Prose, poetry, short story, prabandha, composition, byakaran.
- Semester IV:- Prose, poetry, play, composition, communication skills.

Importance of literature in present times has become more imperative than ever in life because it plays a pivotal role in the mental, psychological as well as spiritual evolution of mankind. Students studying Bengali literature and language not only understand its continuous evolution

and subsequent transformation through the literary works of the authors and poets from the time this language has been used to compose literature till the present date but also learn to write answers in concise and analytical manner, which helps them during their higher studies as well as their research works. Using this literature as a tool, students not only develop sensitivity and empathy towards society but also become financially as well as socially independent and responsible citizens through different professions like teaching, publishing and editing, social writing, media related work, etc.
